Grape to Glass

In lieu of the summer public tours we are offering partial vineyard & facility tours where we will follow the life of a grape. From grape to glass! This includes: tasting the grape, barrel samples and enjoying the finished product.

Where it begins.....in the vineyard. Tasting the grape while discussing the unique characteristics of the variety before it's made into wine.

Tour the barrel room where we will sample the same varietal from the barrel.

Tour the white wine production and bottling facility.

Tour ends in our culinary arts centre where the

finished product will be sampled and paired with a light snack. \$10/person +taxes.

From grape to glass starting in October Saturday & Sunday at 1pm. Vineyard tour (weather permitting).

Limited Seating please call for reservations.
