

Experiencing Essex County's Terroir

Terroir is defined as 'the impact of the growing location and plant material on the final flavour of a given food or beverage'.

Factors that influence Terroir include: soil type, precipitation, climate and sun exposure.

Terroir Seminar: Cabernet Franc & Tomatoes

August 7th from 12 -2 pm

\$25 per person

Guest Speaker, Bill Thomas from Utopian Tomatoes will be on hand to demonstrate how farming in different areas in Essex County can affect the growth of a tomato. We will also be describing the Terroir from Viewpointe's three different vineyards and tasting Cabernet Franc from each. A sampling of foods produced from different farms within Essex County will also be available.

Reservations required, limited seating

Harvest Dinner

September 24th from 6:30 – 9:30 pm

\$70 per person

Special Guest Host, Zoltan Szabo

Our Harvest Dinner will showcase foods from Essex County's Terroir. This takes place in the Erie Room with a full balcony available to enjoy the panoramic view of Lake Erie.

Zoltan will be discussing how Terroir affects our foods and wines.
